

Paczolt Financial Group is one of the largest insurance agencies specializing in the performing arts (theatre, music, and dance) in Illinois. Currently they insure over 260 organizations ranging from 40 seat theaters to 100 seat houses, from a small transient theatre to the traveling productions nationwide.

PCF can assist in providing all types of protection for your performance. As an independent agent, we have over 50 companies that we represent. Our employee benefits division can provide quotations on individual or group health, dental, and life. We can assist in all types of 403B, 401K, and simple IRA's.

Our performing arts program is specifically designed to cover the unique exposures of the arts. Our performing arts accident policy provides medical payments to your volunteers, participants, students, subcontractors, and others. The coverage is \$50,000.00 per participant for a premium between \$350.00-\$500.00/year.

Our workers compensation program provides premium reductions of 5 to 10 percent based on premium. A small company can have a minimum premium of \$585.00/year based on a 2.99 rate for class 9156 – (theatre, music, and dance) entertainers and musicians.

Our general liability policy, if written for one-year term, can be paid over a four-payment plan, we can also provide general liability policies for the month at rates as low as \$300.00. We insure traveling troupes, national acts, non-profits, and large arenas.

Call us to discuss your individual needs. We can help you make your show a winner.
